

ANNEX

I

This agreement was prepared by and between the US Army Vietnam (USARV) and the Republic of Vietnam Armed Forces (RVNAF)

II

WE UNDERSTAND THAT the undersigned in this agreement are authorized to represent, negotiate, sign and comply with the viewpoints of their respective sides concerning the provisions in this agreement.

III

WE UNDERSTAND AND CONCUR THAT the purpose of this agreement is to formalize the intention and the distinct knowledge of the USARV and the RVNAF on the transfer of the Ammunition Supply Point of the Yung Tau Installation by the USARV to the RVNAF.

IV

WE UNDERSTAND THAT the Ammunition Supply Point of the Yung Tau Installation includes 90.05 hectares in Yung Tau. It is known that the Ammunition Supply Point is an area represented on the thick-colored grid of the Yung Tau Town Map, Sheet Type I, Type 1909 (appendix I), with the departing point as the grid coordinate 48 743 3024731, then extending 250m to the South to the grid coordinate 3024709, then extending 300m to the East to the grid coordinate 30764703, then extending 1100m to the Northeast to the grid coordinate 31604770, then extending 590m to the West to the grid coordinate 31324821, then extending 1260m to the Southwest to the starting point.

V

WE CONCUR THAT the Ammunition Supply Point of the Yung Tau Installation is transferred to the RVNAF as a military facility preserved for the RVNAF under the jurisdiction of the JCS, RVNAF.

VI

WE CONCUR THAT formalities to transfer the Ammunition Supply Point of the Yung Tau Installation will be completed and effective as of 1300 hours, 13 Mar 70
