

## AGREEMENT

- I -

This Agreement is entered into by and between the United States Armed Forces (USAF) and the Republic of Vietnam Armed Forces (RVNAF).

- II -

IT IS UNDERSTOOD THAT: The signatories to this Agreement have full authority to represent, negotiate, sign and obligate their respective principals with regard to the provisions of this Agreement.

- III -

IT IS UNDERSTOOD AND AGREED THAT: The purpose of the Agreement is to formalize the intent and understanding of the US and RVN Forces as specifically applicable to the physical and legal transfer of Monkey Mountain Receiver Site from USAF to the RVNAF.

- IV -

IT IS UNDERSTOOD THAT: Monkey Mountain Receiver Site consists of 1.0 hectares of land in Quang Nam Province. It is understood that Monkey Mountain Receiver Site is an area of real estate located at grid coordinates BT 06878540 and covering a total of 10,150 square meters.

- V -

IT IS UNDERSTOOD AND AGREED THAT: The present water supply system located at the Monkey Mountain Receiver Site composed of one water tower, one water piping system, and one water pump with power provided by two 100 KW generators will be maintained by the RVNAF in order that the area currently known as MACS-4 may continue to receive an adequate supply of water. In the event that any component of the water system should become defective and the RVNAF is unsuccessful in its attempt to repair the system, it is understood that the USAF reserves the right to access and repair of the defective component of the water supply system for only so long as the USAF has a requirement for water supplied through this system.

- VI -

IT IS AGREED THAT: Monkey Mountain Site is transferred to the RVNAF as an operational military facility for the sole use of RVNAF, utilization of which will be determined by the Republic of Vietnam Joint General Staff.
