SUBJECT: Property Transfer Report for An Hoa Combat Base
(RCS: MACDC-15) (U)

TO: Commanding General
XXIV Corps
ATTN: AVII-GDP
APO, San Francisco, 96349

1.(U) References:

- a. MACV Directive 735-3
- b. USARV Regulation 700-26
- c. XXIV Corps Regulation 700-2

2.(U) This report of the transfer of An Hoa Combat Base at coordinates AT 870472, Quang Nam Province, Vietnam is submitted in compliance with references (a) through (c). Property transfer, to include three (3) perimeter minefields, was completed on 20 September 1970. Final extraction of U. S. Marine Corps forces occurred on 15 October 1970.

3.(C) Attached as indicated are items specifically directed by paragraph 9.g of reference (c).

- a. Chronology of Events. TAB A.
- b. Actual Quantities/Cost Transferred. TAB B.
- c. Construction Accomplished. NONE.
- d. Significant Problems and Lessons Learned. TAB C.
- e. Copies of DD Form 1354. TAB D.
- f. Copies of DD Form 1348-1. TAB E.
- g. The copy of the Local Written Agreement will be appended to this document by the CG, III MAF.

4.(U) Real and related property was transferred on 7 September 1970. One 100KW generator USN 51-13590, Model J-133-031, engine serial 1672-FR-LQ36 was transferred on 19 September 1970.

5.(C) The joint inventory and transfer of all property except generators occurred on 7 September 1970. Generator transfer occurred on 19 September 1970. Security elements withdrew on 15 October 1970. Official turnover date is established as 20 September as per legal agreement.

6.(U) Generator training for operators was accomplished.

7.(U) Salvaged material was transported by IALC to Danang, Vietnam. With the exception of the generator cited in paragraph 4 above, all generators were returned to the I Corps generator pool.
