SUBJ: Transfer of the Engineer Compound in XUAN LOC (LONG KHANH)

REF : MACV Ltr dated 18 Jan 1971

Dear General,

The JGS/RVNAF has concurred the transfer of the Engineer Compound located at coordinate YT464083 in LONG KHANH Province from the US Armed Forces as mentioned in referenced letter.

This facility is scheduled for utilization by the 18th Infantry Division to station a subordinate company.

It is requested that you consider and direct the outgoing unit to maintain the status quo of the existing electricity and water systems, leaving them in good condition for the using unit. Regarding communication materials, J6/JGS will coordinate with J6/MACV for the study and determination of requirements.
