Dear General Khuyen:

Reference is made to the letter from General Vande Hey to General Manh, dated 18 December 1970, concerning base transfer actions, and to General Manh's reply of 12 January 1971.

An evaluation of requirements indicate that the following facilities will become excess to U.S. and FWF needs at some future date to be announced.

<u>NAME</u>	<u>COORDINATES</u>	<u>PROVINCE</u>
Camp Arirang, ROKA	BR945253	Binh Dinh
Camp Mang Ho 1, ROKA	BR955220	Binh Dinh
Camp Mang Ho 3, ROKA	BR780310	Binh Dinh

These facilities can be transferred to RVNAF provided they will be used by units authorized in the Consolidated RVNAF Improvement and Modernization Program (CRIMP). This headquarters knows of no such requirement for the RVNAF. However, informal coordination indicates that 28 RCT Contonement, ROKA; Ninh Hoa 9 ROK Div.; and Dong Ba Thin 30 ROKA were originally of interest to the National Police. Request you consider the future availability of these facilities in light of RVNAF requirements and inform this headquarters (ATTN: MACDLC-PRE) of your desires and proposed use of the facilities.
