APO 4002, 24 December 1971

SUBJECT: Nonreceipt of Dong Ba Thin Airfield

REFERENCE: MACDC-RPM's letter dated 19 December 1971.

Dear General.

The Central Logistics Command/JGS respectfully confirms that the RVNAF does not have requirements for using the Dong Ba Thin Airfield located at Coordinate CPO26298 in Khanh Hoa Province which is considered surplus by the US Armed Forces as mentioned in the referenced letter.

The use of Dong Ba Thin Airfield is presently considered by the Interministerial Priority and Property Distribution Consideration committee with the Minister of Plan and National Development as chairman in order to transfer it to a civilian Agency that has a requirement.

Sincerely Yours,

s/s
